- Items for Final Action –
  - Empress Casino – Joliet – License Renewal

General Manager of the Empress Casino, Jon Johnson, appeared before the Board and staff.

Member Gardner stated that the on-going spending rate for minority entities is troubling. Mr. Johnson stated that the amounts have dropped off due to the loss of the operation of the pavilion; once the pavilion is up and running the numbers will rise.

Member Gardner stated that there appears to be a down-ward trend in the employee hiring population. The percentages show there is a decline in minority employment. Mr. Johnson stated that the percentages vary from points in time; they do vary at different periods of time and is confident that the percentages will improve. Mr. Johnson stated that the areas in managerial and professional are very diverse. These two areas will improve over time.

#### **PROPOSED COMPLAINTS AND DISCIPLINARY ACTIONS –**

- Shannon M. Gillan – Occupational Licensee

General Counsel Fries stated that Ms. Gillan is a Level II Occupational licensee at the Empress Casino Joliet. She is employed as a Games Supervisor.

On April 25, 2010, a patron, well known to the empress table games staff, was playing blackjack by himself in the high limit area.

Ms. Gillan was the games supervisor responsible for that table.

An incident occurred during play wherein the patron past posted a bet. In other words, he tried to increase his bet after he saw the dealer turn over a face card. The dealer refused the increased wager. The patron demanded to be paid for both his original wager and for the attempted increase – an amount totaling \$2500. The dealer refused.

Ms. Gillan then came to the table. Empress Casino's Internal Controls required that a games supervisor, in that situation, notify surveillance to verify the claim. Additionally, if the amount in issue is over \$500, surveillance has to verify and the Assistant Casino Operations Manager must approved the payout.

Ms. Gillan did not contact surveillance or get approval from the Assistant Casino Operations Manager. Ms. Gillan ordered the dealer to pay the patron for both his original wager and for the increased wager.

Based on staff's investigation and recommendation, Member Sullivan moved **that the Board issue a Disciplinary Complaint against Shannon M. Gillan, an occupational licensee, due to her failing to follow Empress Casino's internal controls when she instructed a dealer to pay a \$2500 double down bet for a patron without getting the approval of the Assistant casino Operations Manager and without getting verification from surveillance.**

Further, Member Sullivan moved that **the Board suspend Shannon M. Gillan's occupational license for 7 work days without pay. Said action to take effect twenty-one (21) days from the date of service of the complaint unless the licensee files an Answer within that time period.**

Chairman Jaffe seconded the motion.

**The Motion failed 3-2 on the following vote:**

**Chairman Jaffe – Yes**  
**Member Sullivan – Yes**  
**Member Winkler – No**  
**Member Moore – No**  
**Member Gardner – No**
